

OPEN SHOULDER DEEP TREAD DRIVE TIRE FOR ON/OFF ROAD APPLICATIONS

- 3 Peak Mountain snowflake rated for all weather conditions
- Special chip/cut compound for longer tire life and resistance to scrapes, chips, and cuts
- Designed for logging, mining, and construction vehicles that go on/off road in harsh or wintry conditions
- Enhanced casing design for better durability and optimal weight distribution
- Tread base designed for effective stone ejection and to prevent stone drilling
- Low void design for enhanced driving performance in extreme conditions
- 4 belt construction for casing durability and retreading
