## INTRODUCING OUR ALL-NEW FORTUNE FFH130<sup>ET</sup> ENHANCED LONG-HAUL STEER TIRE

### FEATURES & BENEFITS:

- **SmartWay Verified Low Rolling Resistance:** Our specially crafted tread compound ensures optimal fuel efficiency, reducing your carbon footprint and contributing to a greener environment.
- **Higher Load Index & 16 Ply Rating:** Engineered to handle heavy tractors with ease, making it the ideal choice for the most demanding long-haul applications.
- **Continuous Shoulder & Decoupling Groove:** Experience even-wear over extended miles, providing long-lasting performance on the road.
- **Innovative Groove Siping & Stone Ejectors:** Our tire's design prevents irregular wear and protects the casing from stone drilling, ensuring a smooth and durable ride.

- **Built to Endure Multiple Retreads:** With a superior casing, our tire is engineered to withstand multiple retreads, maximizing its lifespan and delivering cost-saving benefits.
- **Reinforced Defensive Ribbs:** Help maintain even-wear and resist damage caused by rough terrains with the advanced defensive ribbs in the outer grooves.

## WARRANTY INFO
